About WAFDO

The Western Association of Food and Drug Officials is a non-profit association dedicated to promoting the development and enforcement of uniform food, drug, device, biologic, medical product, cosmetic, and related consumer protection laws. This is accomplished by improving communication and effective collaboration among local, state, federal, and tribal regulatory programs along with industry and consumer partners.

IMPACT

Join WAFDO if you are passionate about:

- Promoting uniform food, drug, biologic, medical product, cosmetic, body art, and medical device safety laws and guidance to protect the public health.
- Building cooperation among partners in matters pertaining to the enforcement of regulatory laws.
- Developing uniform guidance and enforcement procedures and supporting similar objectives when advanced by AFDO.
- Building skills through training programs and programs designed to build competency and uniformity for industry and enforcement officials at all levels of enforcement.
- Supporting students pursuing careers related to safe foods, drugs, medical devices, and other consumer products.

CONNECT

Being a WAFDO member comes with valuable benefits, including:

- Access to the association's directory of members.
- “Hot off the press” information about current or emerging issues in food and drug/device regulatory activities.
- Ample opportunity to participate in professional committees, workgroups, and boards to make a positive impact on food, drug, and medical device safety.
- Various networking and learning opportunities afforded by WAFDO's Annual Educational Conference.
